BOARD OF HEALTH
JULY 10, 1984
MEETING MINUTES

Present: D. Lively, G. Riggan, T. Snyder, M. Morse

The meeting was convened at 7:20 PM.

The Board discussed the proposed by-law changes regarding land classification.
(see attached). Mr. Lively is to contact planning board chairman, Margalee Riggan regarding the wording having to do with with finished grade of a building lot. It was suggested that natural grade might be more appropriate.

There was a discussion regarding the brush dump. New signs are to be made stating that the brush dump is for brush only. No cans, tires, or other non-wood material may be dumped there. A notice will be placed in the Goal Post.

The possibility of a brush and clean fill dump at Davis Mine was discussed.

The meeting adjourned at 8:06 PM.

Respectfully submitted,

Marjorie Morse, Clerrk

Approved: George A. Riggan
