BOARD OF HEALTH
MEETING MINUTES
OCTOBER 16, 1984

Present: D. Lively, T. Snyder, G. Riggan, M. Morse

It was noted that since the last meeting the Board has learned that the Planning Board is the "granting authority" for permits for small businesses run from the home. Therefore, the recommendation to the Selectmen on October 9, 1984, is no longer valid.

Mr. Lively read a report from Town Nurse, Sharleen Moffatt. The report was very positive and gladly accepted by the Board. It was suggested that a statistical report be given regarding the numbers of visitors Mrs. Moffatt has at the Town Hall and the number of home visits she makes.

The meeting was adjourned at 8:10 PM.

Respectfully submitted,

Marjorie Morse, Clerk
