BOARD OF HEALTH
MEETING MINUTES
AUGUST 6, 1985

Present: G. Riggan, T. Snyder, M. Morse

Sharleen Moffatt, Town/School Nurse, requested that her hourly wages be changed to a salary based on the same hourly rate of $8.00 for the agreed upon hours. The Board agreed and Mrs. Moffatt will be notified. The Joint Rowe/Heath Nursing Search Committee previously agreed that Rowe will pay the entire school salary for which Heath will reimburse Rowe for one half the hours at school.

The salary was calculated as follows:

52 weeks x 10 hours (Town)	520 hours
40 weeks x 20 hours (school)	800 hours
Total Hours	1,320 x $8.00/hour
Total Salary	$10,560

Since $406.00 has been paid to date $10154.00 divided by the remaining 46 weeks in FY 86 equals a weekly rate of $220.74. Had the salary been calculated from July 1 the weekly rate would have been $203.08.

Mr. Riggan reported that A-1 Sanitary Service was found at the John Hoffman residence pumping a septic tank on August 1, 1985. Mr. Riggan asked the operator if the company was licensed and was told that they are. The driver invited Mr. Riggan to check Town records. When asked to see the license Mr. Riggan was told that it was in the office, not in the truck.

After checking both in the Board of Health files and with Mr. Brickett and learning that A-1 Sanitary Service does not have a license for this year nor for the past ten years, it was the decision of the Board to authorize Mr. Riggan to write to A-1 Sanitary Service informing the company that a $50 fine will be imposed and no further work in town can be done until a proper license is securred.

Further, notice will be put in the Goal Post informing taxpayers and residents that only one company, Houghton, is licensed to pump septic tanks in Rowe.

The meeting was adjourned at 10:35 PM.

Respectfully submitted,

Marjorie Morse, Clerk
