Board of Health
Meeting Minutes
November 12, 1985

Present: G. Riggan, T. Snyder, E. Foberg, M. Morse

The Board met at 7:25 PM to discuss with Prudence Barry the confusion surrounding the system designed by Mr. Brickett for a new building at Rowe Camp. There were two test holes done, both passing the percolation test; but only one was shown on the permit.

Mr. Riggan will talk with Mr. Brickett and have him design a system for both locations, leaving the option of which will be used. Ms. Barry will contact Mr. Riggan regarding the number of occupants after a Board of Trustees meeting on November 17.

The meeting was adjourned at 7:44 PM.

Respectfully submitted,

Marjorie Morse, Clerk
