Board of Health
Meeting Minutes
December 3, 1985

Present: G. Riggan, T. Snyder, M. Morse

The meeting was called to order at 8:00 PM.

George reported that the shed at the Gracy home is infested with carpenter ants and that A-1 Pest Control will take care of the problem in the Spring. The estimated cost is $75.00.

The Board received a letter from Dorothy Schubert authorizing her daughter Mary Schubert Lee to act on her behalf regarding the salt pollution problems.

Mr. Riggan will call Ainsworth Associates to try to set up a meeting regarding possible solutions to the salt pollution problem. It was noted that Town Counsel has advised that the Town not try to solve the problem, but should negotiate to reimburse property owners after a solution is found.

Chairman Riggan filled out a Board of Health Survey to be returned to the Department of Public Health after Mr. Foster, Building Inspector, is consulted regarding a particular section.

The Board received written confirmation from Joseph Palmeri of $650 as the cost of wiring at the gate for the compactor.

The meeting was adjourned at 8:59 PM.

Respectfully submitted,

Marjorie Morse, Clerk
