Board of Health
Meeting Minutes
December 17,1985

Present: G. Riggan, T. Snyder, E. Foberg, M. Quinn

The meeting was called to order at 7:08 P.M. Bill Foster was present to discuss his findings concerning well regulations regarding building permits. It was agreed that the policy will be that the issuance of building permits will be contingent upon a source of potable water on the property. The standard will be no fecal coliforms and a total coliform count not to exceed one.

Rental properties should also conform to the building permit regulations in regard to water supply.

It was reported by Mr. Riggan that Town Counsel is presently researching the legality of deeding water rights on Park property to the Glass and Schubert houses.

The meeting was adjourned at 7:55 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
