Board of Health
Meeting Minutes
February 25, 1986

Present: G. Riggan, T. Snyder, E. Foberg, M. Quinn

The meeting was called to order at 7:10 P.M.

The owner of Bostley Sanitary Service came in to discuss an application for renewal of his sanitary disposal license in Rowe. After assuring the Board that all the laws and codes would be strictly adhered to, Mr. Riggan recommended approval of his application. Mrs. Foberg made a motion to approve the renewal of the license and Mr. Snyder seconded. The motion carried unanimously.

The Rowe Camp and Conference Center has made a request for an extension of a percolation test. Based on Mr. Brickett's recommendation the Board agreed to extend the period of the validity of the percolation test for another two years, to May 30, 1988.

Mr. Riggan reported that due to a malfuntion in the Galvin's septic system, it was necessary for them to have a drain dug to carry off ground water. It was noted that this is only a temporary measure and the system will need to be reconstructed when weather permits.

Sharleen Moffatt, the Town and School nurse came in to discuss her school hours with the Board. It was noted that she is directly responsible to Mr. Swem, the school principal and not the School Committee. In the future any complaints concerning her work at the school should be directed to Mr. Willard or Mr. Swem.

It was the concensus of the Board that the Nurse should have five sick days per year.

The meeting was adjourned at 8:50 P.M.

Respectfully submitted,
Melissa Quinn, Clerk

Approved:

George A. Riggan

Timothy C. Snyder

Ellen L. Foberg
