Board of Health
Meeting Minutes
May 20, 1986

Present: G. Riggan, T. Snyder, E. Foberg, M. Quinn

The meeting was called to order at 7:35 P.M.

Sharleen Moffatt came in to clarify her responsibilities to the Selectmen and the School Board. Mr. Riggan stated that while the School Board sets the policies and guidelines under which she works at the school, it is the Board of Health that hired her and to whom she is ultimately responsible, especially in her capacity as Town Nurse.

It was reported that Chief Ed May is researching the Red Cross policy of charges for teaching CPR courses. There is a question regarding the fees being charged to the Town of Rowe by Sheila Litchfield for teaching a course to the Heath Fire Department and to four Rowe firemen.

It was reported by Mr. Riggan and Mr. Snyder that so far this year eight percolation tests have been made, seven of which passed and one failed. The tests passed were on properties belonging to Jim Taylor, Wayne Stickney, Kay Oliver, Henry G. Dandeneau, David Devore ,(2), and Warren Kalaus. A test done on the property of Ann Carey failed because over a ninety minute period the water level went down only 2 5/8 inches.

Ellen Foberg was elected unanimously as Chairman of the Board of Health.

The Board examined a form composed by Mr. Riggan to be supplied to Mr. Brickett to register percolation test results.

The meeting adjourned at 8:15 P.M.

Melissa Quinn, Clerk
