Board of Health
Meeting Minutes
May 27, 1986

Present: G. Riggan, T. Snyder, E. Foberg, M. Quinn

The meeting was called to order at 7:40 P.M.

The Board was joined by the Assessors (Jim Pruitt, Bob Kenney and Don Foberg), for a discussion of the classification of lots. Mr. Riggan reported that Town Counsel stated that no lot can be considered a "A" lot unless it has a house on it, or has passed a percolation test and all the other qualifications necessary for a class "A" lot. There was a great deal of discussion regarding the different aspects of this policy. The Board recommended that the Assessors talk to Mr. Barry further about this matter.

Cathy Snyder came in to discuss the ambulance situation. She reported that many of the area ambulance services are having staffing problems. The Board expressed their appreciation for her efforts to keep abreast of this problem and she agreed to continue these efforts.

Mrs. Foberg reported that as the result of her meeting with Pete Brown and Bob Tripp, it was her recommendation that thirty five white pine trees be planted along the road in such a way to screen the Stump Dump for beautification purposes. The cost of the trees would be $25.00 each. It was the concensus of the Board that this plan be accepted.

Mrs. Foberg reported on the percolation tests done on the previous Saturday. The Brautigam property passed and tests on Bedard and Cornish properties failed.. Mrs. Simoni was present at the appointed hour, but the Selectmen were unavoidably detained. When the Selectmen arrived to do the test, she was not available. Due to the fact that they failed to meet at the appointed hour, and the unavailability of Mr. Brickett until June 2nd, the Board extended the date of Mrs. Simoni's test to that date.

The meeting was adjourned at 9:05 P.M.

Respectfully submitted,
Melissa Quinn, Clerk

Approved:

George A. Riggan

Timothy C. Snyder

Ellen L. Foberg
