Board of Health
Meeting Minutes
July 8, 1986

Present: E. Foberg, G. Riggan, T. Snyder, M. Quinn

The meeting was called to order at 8:45 P.M.

Mr. Snyder reported that Alice Fitzgerald, (Fitzgerald Fence), recommends a second card reader in lieu of an underground loop for the Access Control gate at the Refuse Garden. Mr. Palmeri,(Electrical Contractor), has recommended a three phase motor instead of a single phase for the gate. The Board concurred. Mr. Riggan suggested obtaining the cards and mailing them to the Townspeople.

Mrs. Reynolds-Gallager called concerning a property in Rowe on which a sale is pending. There is a major problem with the septic system and she requested information in this regard. Mr. Riggan contacted Mr. Brickett and he agreed to allow the Board to come to a decision in this matter. Mr. Brickett will attend to this matter in person when he returns from vacation.

Mrs. Foberg recommended a four percent salary raise for the Town and School Nurse, Sharleen Moffatt. She will confer with Patrick Venneri in this regard.

Mr. Riggan questions the impact on the environment of so much salt used on the dirt roads in the summer to hold down the dust. The Road Superintendent will be asked to keep an account of the amount used and to look into the cost of a sprinkler so that water could be used instead of salt.

The Board empowered the Chairman to install a pump in the test well to be drilled on the Glass property.

The meeting was adjourned at 10:30 P.M.

Respectfully submitted,
Melissa Quinn, Clerk

Approved:

George A. Riggan

Timothy C. Snyder

Ellen L. Foberg
