Board of Health
Meeting Minutes
August 26, 1986

Present: Ellen Foberg, George Riggan, Timothy Snyder, Melissa Quinn

The meeting was called to order at 8:46 P.M.

Margaret Rice (School Committee) reported that there has been a new policy for the School Nurse's duties drawn up by the School Committee that will be voted on in September. Mr. Snyder suggested that Chairman Foberg, the Emergency Medical Coordinator, and a representative of the Heath School Committee meet with the Rowe Committee prior to this vote to discuss this new policy. Mrs. Foberg and Mrs. Rice will set up this meeting.

Mrs. Foberg asked if it would be possible for the Nurse to hold all her hours in her office at the School. Mrs. Rice will bring this before the entire School Committee.

The meeting recessed for Board of Selectmen and reconvened at 10:22.

Chairman Foberg reported that the owner of Lot 6C on Old Cyrus Stage Road wanted to have a septic system installed as soon as possible. It was noted that previous policy states that tests done prior to May 1,1986 may no longer be valid and he was informed that a new one might be required.

The meeting was adjourned at 11:05 P.M.
