Board of Health
Meeting Minutes
September 30, 1986

Present: Ellen Foberg, George Riggan, Timothy Snyder, Melissa Quinn

The meeting was called to order at 10:32 P.M.

The Chairman noted that time cards for the School Nurse's hours were received from Paul Swem, School Principal.

The instructions for the Access Control Gate at the Refuse Garden were received and will be kept on file.

Mrs. Quinn was requested to send Mr. John Brickett (Town Sanitarian) another appointment paper to replace one that has been misplaced.

It was noted that water sample test results were received for the test well at the Glass residence and the pitcher pump and beach at Pelham Lake Park. Mr. Enser has stated several times in the past that the problem with the pitcher pump is in its design which allows the water to be contaminated when it is pumped. The Park Commission has been notified but no action has been taken.

The meeting adjourned at 11:19.

Respectfully submitted:
Melissa Quinn, Clerk
