Board of Health
Meeting Minutes
November 10, 1986

Present: Ellen Foberg, George Riggan, Timothy Snyder, Melissa Quinn

The meeting was called to order at 8:54 P.M.

There was a request from the owners of Lot 2F, Ford Hill Road (David Niedbala, Anthony Manzi, and Donald Dion) for a six months extension of their permit to construct an individual sewage disposal system. The Board voted to grant the extension on the condition that the owners provide the Board with a letter of assurance that the parameters for the original design of the house have not been altered in any way, ie. number of rooms, square footage, etc.

A letter was received from Terry Krumm indicating that he will pick up his Access Control Card when he returns to Rowe next year.

It was noted that Commercial Disposal Company has been haphazard in their billing. Their contract expires next year (August, 1987) and it was suggested by Mr. Riggan that there may be another carrier that could provide better, more efficient service.

The meeting adjourned at 9:14 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
