Board of Health
Meeting Minutes
April 7, 1987

Present: Ellen L. Foberg, George A. Riggan, Timothy C. Snyder
Melissa S. Quinn

The meeting was called to order at 11:32 P.M.

The Chairman reported that the stump dump has become extremely unsightly and a great deal of bulk refuse has been placed in it rather then in the bulk bin where it should go. During the recent high water, there was flooding disconcertingly close to the base of the dump. Mrs. Foberg is of the opinion that perhaps a new sight might be found that would be more suitable.

It was pointed out that another site would circumvent the effectiveness of the access control gate. Mr. Snyder felt that posting signs indicating where various materials should be properly placed and notices in the Goal Post explaining the rules for proper disposal and the penalties for abuse would be effective.

It was the concensus of the Board to try these measures before any other action would be undertaken.

The meeting adjourned at 11:48 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
