Board of Health
Meeting Minutes
July 7, 1987

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 9:30 P.M.

A request for information from the Bancroft School of Massage Therapy regarding the licensing of persons giving massage therapy and vapor baths was received by Mrs. Foberg. The Town to this time had no policy for this type of activity, and Mrs. Foberg sought advice on the matter from John Brickett (Health Agent). The clerk was directed to retype a policy statement and license application supplied by Mr. Brickett from the Town of Greenfield on Town of Rowe stationary and send it to the school making the inquiry.

An application for a disposal works construction permit was received from Joseph Vadeboncoeur, Zoar Road. The Board approved and signed the permit.

Permit fees were received from the Rowe Country Store (food establishment) and Bostley Sanitary Service (sanitary license).

Mrs. Foberg reported that she and the town sanitarian (John Brickett) had inspected the Rowe Country Store and the Rowe Camp and Conference Center. The store passed inspection with no violations. The camp had two violations that must be corrected. The water temperature in the dishwasher did not meet the standard (180 degrees) and a new countertop must be installed in the dining area.

The meeting adjourned at 9:50 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
