Board of Health
Meeting Minutes
August 4, 1987

Present: George Riggan, Marion Boggs, Melissa Quinn
Absent: Ellen Foberg

The meeting was called to order at 8:45 P.M.

Mr. Riggan reported that Jack Frazier (Juster Pope Architects) had contacted him in regards to the relocation of the leach field/septic system (presently serving the Town Hall) in connection with the Town Hall expansion. There was discussion of a new settling tank near the Town Hall, connected to a second settling tank presently located behind the fire station. It was noted that there may be a need to enlarge the system serving the garage and the fire station to accommodate additional usage by the expanded Town Hall. Mr. Boggs agreed to contact John Brickett, R.S. (Health Agent/Sanitarian) and ask for his recommendation.

The meeting adjourned at 9:10 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
