Board of Health
Meeting Minutes
December 8, 1987

Present: Ellen Foberg, Marion Boggs, Melissa Quinn
Absent: George Riggan

The meeting was called to order at 7:45 P.M.

A check was received from CJD Grey, Inc., (d/b/a A 1 Sanitary Service) for a 1988 Septic Haulers and Installers license. The check will be given to the treasurer and John Brickett, R.S. (Sanitarian) will be asked to issue this license.

Mrs. Foberg received four completed applications for Disposal Works Construction Permits from Mr. Brickett. They are:

Rowe Camp and Conference Center (Kings Highway)
Warren Kalaus (Brittingham Hill Road)
Yankee Atomic Electric Company
Henry J. Dandeneau (Zoar Road)

Mrs. Foberg made a motion that Warren Kalaus should be fined $50.00 for violating Board of Health regulations and Massachusetts State Title V code requiring a Disposal Works Construction Permit approved by the Board of Health prior to installation of a septic system. The motion was seconded and passed unanimously. Mrs. Quinn was instructed to notify Mr. Kalaus.

Information was received regarding the Child Lead Poisoning regulations (Massachusetts General Laws, Chapter 111, Section 190-199) as they pertain to rental properties. Mrs. Quinn was asked to call for additional brochures so that both the landlord and the lessee may be fully informed of these laws.

The meeting adjourned at 8:50 P.M.

Respectfully submitted,
Melissa Quinn, Clerk

Approved:
