Board of Health
Meeting Minutes
January 26, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 7:00 P.M.

Wayne Stickney came in to find out what approvals he would need to construct a dwelling on his property on Middletown Hill Road. The percolation test was successful, but Mrs. Foberg told him that he must have the system designed by John Brickett, R.S. (Sanitarian) and constructed by a licensed installer. The system would need to be completed before May of 1988, or an extension would be required on his application for construction. Mrs. Foberg advised Mr. Stickney to contact the building inspector regarding the need of a water potability test.

Information was received regarding the testing of underground tanks more than ten years old. Mrs. Foberg will follow up on this and report at a later meeting.

Mrs. Quinn reported on information regarding the lead poisoning laws and regulations. She was directed to send a cover letter and the information received from the Massachusetts Department of Health to Arnold Veber (owner) and Edmund Duff (occupant).

Mrs. Foberg reported that she had learned that Charlemont does not have the necessary insurance to cover their own or the Rowe EMTs. She has contacted Massamont Insurance Agency and a representative of that firm, Sherrie Tanner will attend the meeting of February 9th at 7:30 P.M. to discuss "errors and omissions" policies for the EMTs and the Fire Department.

Mrs. Quinn was asked to contact Dr. Sidorsky, DVM in regards to a date for the rabies clinic to be held in Rowe. Mrs. Foberg would like to set the clinic for sometime in March and put notice of it in the Goal Post.

The meeting adjourned at 7:20 P.M.
Respectfully submitted,
Melissa S. Quinn, Clerk

Approved:

Ellen L. Foberg

Ellen L. Foberg, Chairman
