Board of Health
Meeting Minutes
February 23, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:00 P.M.

Karl Jurentkuff came in to request an extension on a Disposal Works Construction Permit for his property on Middletown Hill Road. Mrs. Foberg informed him that it had already expired in 1986, but that the percolation test was still valid. She advised him to wait until he was ready to build before obtaining a new permit.

There was a motion to re-appoint (subject to her approval) Deborah Lively as the Animal Inspector. The motion was seconded and approved unanimously.

In correspondence, a letter was received from the Board of Registration of Sanitarians stating that sanitarians are permitted to prepare plans for septic systems as stated in Massachusetts General Laws, Chapter 21A, Section 13.

The meeting adjourned at 8:30 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
