Board of Health
Meeting Minutes
April 12, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 7:20 P.M.

Mr. and Mrs. James Brown came in to determine what the requirements were to obtain a building permit on their property on Tunnel Road. There is an existing septic system, but the records have been lost. Mrs. Foberg stated that the Board would give them a letter of approval of the system due to the unusual circumstances. Mr. Brown will have a portion of the holding tank uncovered at which time Mrs. Foberg agreed to inspect the site and take some pictures. There is also an existing well, which must be pumped and successful water potability tests performed, prior to a building permit being issued.

A percolation test is scheduled for April 30th on Lot #2 (Philip Jones), Leshure Road for 10:00 A.M., and another on the former Burgess property (Bolduc) on the corner of Ford Hill Road and Shippee Road at 11:30 A.M.

The meeting adjourned at 7:30 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
