Board of Health
Meeting Minutes
May 31, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 7:10 P.M.

Mrs. Foberg reported on the following percolation tests:

NAME	LOCATION	RESULT
M. Scott (2nd test)	Map 6-Lot 37 (Davis Mine)	Passed
H. Hoxie (2nd test)	Map 11-Lot 30 (Stone Hill)	Failed

The meeting recessed at 7:30, and reconvened at 8:05.

It was reported that Mrs. Foberg and John Brickett, R.S. (Health Agent/Sanitarian) had inspected the Rowe Country Store on Saturday, May 21st. Mr. Brickett had the following recommendations:

1. Utensils must no longer be washed in the bathroom sink.
2. Temperature of the water must be at least 120 ˜F.
3. All freezers and refrigerators must be equipped with thermometers.
4. The ceiling in the main sales room must be repaired.

Mr. Riggan joined Mrs. Foberg and Mr. Brickett for inspection at residences belonging to William Foster, Fred Lehr and John Hoffman, all on Zoar Road. Mr. Foster was instructed to back-fill a trench that was dug too close to his leach field. The first twenty five feet must be filled with packed earth, and then gravel and pipe can be laid.

Dye tablets were placed in the toilet at the Lehr residence in an effort to determine if any seepage was occurring above ground. It was determined that the grey water is hooked into the septic system.

An inspection was made at the Hoffman residence, where there is some leakage of the septic system onto the lawn. Mr.

Brickett recommended bringing in loam and building up the area. No leakage is occurring onto an abutters property.

It was reported by the Building Inspector that there is no potable water and no septic system in existence at a camp owned by Gail Rice on Hazelton Road, presently occupied by Dana Rice. Mrs. Foberg will contact Mr. Brickett and take steps to declare the Rice camp unfit for human habitation at this time.

Regulations for a "stump dump" were received from Steve Ellis (DEQE). These will be looked at and recommendations made at a later time.

The meeting adjourned at 8:50 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
