Board of Health
Meeting Minutes
June 21, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs
Melissa Quinn

The meeting was called to order at 7:30 P.M.

Mrs. Foberg and Mr. Riggan met with Leonard Laffond and Raymond Jodoin (Park Commission) at the site of Park Department property on Davis Mine Road (Map 6 - Lot 10) to discuss placement of a brush dump on that site. It was the consensus of those present (and the Highway Superintendent) that this would be a suitable location. Mrs. Foberg will look into an estimated cost for fencing and a gate. Funding will be sought with a warrant article at the next special town meeting.

Mrs. Foberg reported that a letter had been sent to Steven Ellis (Department of Environmental Quality Engineering) expressing interest on behalf of the Town in pursuing membership in the re-cycling program.

Questionnaires from DEQE regarding water supplies and sludge disposal were completed for mailing.

A motion was made and seconded to give Gail Rice thirty days to present a feasible plan to meet potable water and septic system requirements for her property on Hazelton Road, with failure resulting in the posting of the camp as unfit for human habitation. The motion passed unanimously. A letter was dictated to Gail Rice outlining the basic requirements (according to State codes and Town by-laws and regulations) for potable water and a septic system for a habitable dwelling in the Town of Rowe, and informing her of the thirty day period of compliance.

The meeting adjourned at 8:30 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk

Approved:

Ellen L. Foberg

Ellen L. Foberg, Chairman

George A. Riggan
