Board of Health
Meeting Minutes
July 6, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:27 P.M.

Edgerton Miles came in to discuss the invalidation of a percolation test on his land on Stone Hill Road. He once again asked if there was something the Board could do to validate the test. Mrs. Foberg explained that the Board can not make exceptions and must remain consistent in their rulings. Mr. Riggan would like to offer Mr. Miles some kind of assistance. The Board offered to take up the matter with Town Counsel for his opinion. Mrs. Foberg will consult with the attorney and let the Board and Mr. Miles know the results of the consultation.

Mr. Riggan suggested that in light of increasing costs for removal of demolition materials, the Board may want to review their policy in this regard in the near future.

A letter was received from William Enser, (Berkshire Enviro-Labs) listing his fees for Fiscal Year 1989.

Regulations were received from the Commonwealth of Massachusetts stating minimum standards for fencing of swimming pools. These will be referred to the Building Inspector for his information.

The meeting adjourned at 9:00 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
