Board of Health
Meeting Minutes
August 30, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:00 P.M.

Dana Rice came in to discuss the Gail Rice camp on Hazelton Road where he currently resides. Mrs. Foberg reported that she had discussed the situation with Larry Golonka (DEQE) at some length. He stated that according to Massachusetts General Law, in order to obtain a building permit, potable water must be from a source on the site, or a municipal water supply. Mr. Rice was given several options to investigate, including purchase of additional land and seeking a variance from the Zoning Board of Appeals. After Mr. Rice left, Mrs. Quinn was directed to send a letter to Mr. Rice stating that unless evidence is presented within thirty days from the date of the letter (September 30) for a potable water supply and feasible plans for installation of a sanitary system, the camp will be posted as unfit for human habitation, and must be vacated at that time.

By consensus, the Board accepted the proposal from Guthrie Fence Company for approximately 180 feet of fencing and a 20 foot wide cantilever slide gate installed at the site of the stump dump on Davis Mine Road for the sum of $3,995.00, subject to approval of an a appropriation at the Special Town Meeting September 19, 1988.

The meeting adjourned at 9:00 PM.

Melissa S. Quinn, Clerk
