Board of Health
Meeting Minutes
September 20, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:15 P.M.

There was a motion to recind the decision to utilize park land on Davis Mine Road for a stump dump. The motion was seconded and approved. There was a motion to appoint John Williams, Leonard Laffond, Ellen Foberg and James Taylor to a Stump Dump Siting Committee. The motion was seconded and approved. Terms of the committee members will end when an acceptable site has been found.

It was determined that the problems with water tests performed at the Rowe School were due to plumbing work which caused contamination of some pipes. The lead level sample for testing will be taken at the school on Monday, September 26th.

Town Counsel was consulted on the Dana Rice camp (Hazelton Road). He advised that the "grandfather clause" does not apply in this case. Correspondence regarding condemnation proceedings and an order to vacate must be sent by certified mail. If the resident refuses to vacate, an injunction must be sought against him. Signs indicating condemnation of a building were provided by John Brickett.

The meeting adjourned at 8:35 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
