Board of Health
Meeting Minutes
October 11, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:40 P.M.

Mrs. Foberg reported that Greg Giard and three other owners of cottages on the lake have had problems with their wells going dry this fall. She referred him to Ray Jodoin (Park Commission). In consultation with Town Counsel, she was advised that the Town could, out of neighborliness, provide bottled water for these residents, but should not accept any responsibility for the wells going dry. The Park Commission agreed to allow use of the pitcher pump at the beach to those that have ~~and~~ had water problems.

One well owners response card (for wells near right-of-ways) was returned from Alice Dennington Willey. To date, this is the only one received.

The Meeting adjourned at 8:50 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
