Board of Health
Meeting Minutes
October 25, 1988

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:30 P.M.

The Chairman reported that Brian Wood (Yankee Atomic Electric Company) will check with his legal department regarding a long-term lease to the Town for the site of a stump dump.

Mrs. Foberg said that she would contact the Chief of Police and ask him to post the Gail Rice camp on Hazelton Road as unfit for human habitation.

The Town/School nurse, Sharleen Moffatt, R.N., has asked if she could be reimbursed fees for continuing education courses and mileage in attendance. A list of courses for the current year was presented with fees totaling $150. It was suggested that Mrs. Moffatt also be reimbursed for mileage she incurs for unscheduled, emergency trips to Rowe, but not for regular commuting. Her operations account does not have sufficient funds to cover these expenditures. It was voted to reimburse Mrs. Moffatt for the fees and the mileage, and to ask for a Reserve Fund Transfer to cover these payments.

A bill was received from John Brickett, R.S. for disposal works construction inspections. These inspections were for final inspections of the Bolduc system (Ford Hill Road), the Timothy Johnston system (Hazelton Road) and the Town Hall system (pictures and a report only). Mrs. Foberg will contact Mr. Brickett regarding improvement of the procedure for the disposal works construction permits.

The meeting adjourned at 8:50 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
