Board of Health
Meeting Minutes
February 14, 1989

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:55 P.M.

A letter was received from DEQE stating that a model by-law and technical guidelines for private wells would be ready sometime later this month.

A bill was received from Berkshire Enviro-Labs accompanied by water test results for the school, Avery fountain and the town hall. All test results were satisfactory. A copy of the test results for the school will be sent to Paul Swem.

A bill was received from Filios Enterprises for a percolation test performed in FY 88. Mrs. Quinn was directed to notify Filios Enterprises that this bill could not be paid with an FY 89 appropriation and that an article requesting an appropriation to pay this bill would have to be placed on the Annual Town Meeting Warrant. It was noted that Filios Enterprises had been told at the time the test was performed (May 12, 1988) that all bills for work performed in the spring of 1988 had to be submitted to the Accounting Officer no later than June 30, 1988.

It was suggested that perhaps the Town should pay for the Town/School nurse's professional liability insurance. This will be brought up later during budget hearings.

Letters were signed for mailing to George Morse and Commercial Disposal asking for prices on hauling the recycling container to the recycling center in Springfield.

A check for $10.00 was received from Bostley Sanitary Service for permits to haul sewerage and to install septic systems in the Town of Rowe. Permits will be mailed.

Mrs. Foberg reported that she had received a reply to the well right of way/herbicide spraying survey from Arthur Anthony. Mr. Anthony has two wells within the 100 foot right of way and also an apple orchard. The Chairman advised him to contact the Massachusetts Department of Food and Agriculture.

The meeting adjourned at 9:55 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
