Board of Health
Meeting Minutes
March 14, 1989

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 7:45 pm.

An agreement for the recycling of solid waste was received from John Higgans (DEQE). This agreement pertains to the state sponsored recycling plant at Springfield. Mrs. Foberg will read it and report at a later meeting.

A letter was received from Rudi Smith (Selectmen, Monroe) expressing an interest in joining Rowe in a recycling program.

The time sheet for the school nurse was received for the week ending March 3.

A solicitation was received from Howard Labs in Amherst regarding their services for water and soil testing. This will be kept on file.

Mrs. Quinn reported that additional dump cards need to be ordered. The Chairman asked that she check to see if the return address could be printed on the card rather than added on with a sticker.

It was noted that on March 15, 1988, it was voted to raise fees for septage haulers and installers to twenty-five dollars. This information is to be added to the policy book.

A draft of the Board of Health report for the Town Report was read. Minor changes were made and it was approved.

Mrs. Quinn was asked to call Berkshire Enviro-Labs to see if the triennial (every three years) sodium and nitrate tests were performed only at the school or for all the "public" water supplies, such as the town hall, Avery fountain and the beach.

The meeting adjourned at 9:15 pm.

Respectfully submitted,
Melissa S. Quinn, Clerk

Approved:

Ellen L. Foberg

Ellen L. Foberg, Chairman

George A. Riggan
