Board of Health
Meeting Minutes
March 21, 1989

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 10:10 pm.

A letter was received from Clayburne Rich requesting percolation testing information. Mrs. Quinn was asked to send him a copy of the by-laws, a list of disposal works installers and inform him that the Town would pay the sanitarian's fee for the first percolation test on a lot.

A letter was received from Berkshire Clean-Way Rubbish Removal Inc. regarding the state recycling program. Mrs. Quinn will write a reply asking for a price quotation for their hauling fee for the recycling bin.

A two year extension was granted by unanimous vote to Joseph Vadeboncoeur for a disposal works construction permit (Map 3, Lot 59), at his request. The new expiration date is July 7, 1991.

Mrs. Foberg is researching the hauling and disposal of "white goods" (household appliances). Partyka Sanitary Landfill will take these appliances for $300 per load for hauling and 3.5 cents per pound for disposal. Mrs. Foberg would like to see if a town truck could do the hauling.

The meeting adjourned at 10:45 pm.

Respectfully submitted,
Melissa S. Quinn, Clerk
