Board of Health
Meeting Minutes
March 28, 1989

Present: Ellen Foberg, Marion Boggs, Melissa Quinn
Absent: George Riggan

The meeting was called to order at 10:20 pm.

Mrs. Foberg received a contract for the disposal of "white goods" from Kramer Scrap, Inc. If town trucks were used for hauling, the capacitors would need to be removed before delivery. This would be very involved and costly, due to state and federal laws. Mr. Jenkins from Greenfield will come to Rowe and pick up the appliances for $7.00 each. A decision will be made on this matter after more information is obtained.

Five radon test results were received: Susan Vadeboncoeur (air) Harold Shumway (air) Dennis May (air and water) and Cedric Scott (air and water).

A check for $10.00 was received from Heidi Lehr for a retail food establishment license.

Mrs. Foberg reported that a complaint had been received from John Hoffman in regard to ducks owned by Fred Lehr wandering onto the Hoffman property and digging in his lawn. Mr. Lehr was contacted and promised that he would install a fence along the property line between the Lehr and Hoffman lands.

The meeting adjourned at 10:50 pm.

Respectfully submitted,
Melissa S. Quinn, Clerk
