Board of Health
Meeting Minutes
May 2, 1989

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:42 P.M.

Mrs. Foberg reported that a percolation test has been scheduled for May 13th on a lot owned by Ellsworth and Shirley Veber on Middletown Hill Road (Map 1, Lot 20) following the test at Lillian Danek's. It was noted that this is NOT the first test on the lot and the owner will therefore be liable for payment of the sanitarian's fee.

The time of the Danek dig has been changed from 7:00 A.M. to 8:00 A.M. and his test will follow those at Mackie's.

Mrs. Foberg reported that Peg Galvin is having problems with her septic system. Mrs. Foberg has agreed to conduct an inspection on May 3.

Mrs. Foberg reported that the Stump Dump Siting Committee had looked at a possible site for a stump dump on Zoar Road on Town-owned land, south of and on the opposite side of the road from the refuse garden. (Map 8, Lot 22) The Board will look at the site on May 4, 1989 at 9:30 A.M. It will be necessary to hold a public hearing and notify abutters when a site is chosen. An access road approximately 500 to 700 feet long will need to be constructed from Zoar Road into the dumping site. An appropriation for this construction could be sought at the next special town meeting.

It was noted that an article in the Greenfield Recorder about the town of Ashfield pointed out that they require the dumping of any demolition material must be relative to a valid building and/or demolition permit in the town. The question of fees for dumping demolition material will be discussed at a later time.

The meeting adjourned at 9:05 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
