Board of Health
Meeting Minutes
August 22, 1989

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:41 P.M.

There has been no written complaint received to date regarding a possible violation of the wetlands protection act at the site of the former brush dump. Mrs. Foberg will call DEP (Department of Environmental Affairs) and ask that they send someone up to investigate the matter.

There was an update on options available for the card reader at the Refuse Garden. It was suggested that a sense of the meeting be asked on the question of closing the Refuse Garden except for certain hours when it could be manned. There was a consensus that this would be done.

It was voted unanimously to sign an endorsement supporting passage of the "Clean Air Act", H.6203, which is currently before the Massachusetts Legislature, House Ways and Means Committee.

Results from a test for radon in water were received from NITON Corporation for a property on Cross Road.

A camper injury report was received from the Rowe Camp.

The meeting adjourned at 9:20 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
