Board of Health
Meeting Minutes
September 5, 1989

Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 7:10 P.M.

Mrs. Foberg, Marion Boggs and John Brickett will conduct an inspection at Mary Ann Corarito's restaurant (Dell Road) on Friday, September 8th at 10:00 A.M. for a food service establishment license.

Department of Public Health regulations for handling infectious waste were received and will be referred to Sharleen Moffatt.

An inspection will be conducted within the week to determine if a brush dump can be located on town property (Zoar Road) at least 250 feet from the Donovan residence.

It was reported that Eugene Dranka (DEP) conducted an inspection (8/30/89, 10:00 am) at the former brush dump on Zoar Road due to a complaint by Sandra Jerdon that brush was being illegally stored. Dranka concluded that all was in order. The Town as landowner can store scrap steel, gravel, loam, concrete and any usable item other than waste as long as it is 100 feet from the brook. He will confirm this in writing to the town with a copy to S. Jerdon. When the transfer station was put in place, the remainder of the area was approved by DEP, (then DEQE) as a brush dump. DEP has no record of boundary lines or size, but if the Town can produce such documentation, approval would still be in effect. Otherwise, an engineering study of the site would be needed and a new application for approval submitted to DEP.

Mr. Boggs asked if the Town would pay for police coverage for Hazardous Waste Collection Day as was done for the last Collection Day. He was told to check with Police Chief, Henry Dandeneau.

The meeting adjourned at 7:28 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
