Present: Ellen Foberg, George Riggan, Marion Boggs, Melissa Quinn

The meeting was called to order at 8:22 P.M.

B.J. Roche and Daniel Wessman, Recycling Coordinators, came in to report on the progress of the recycling program. A site for the recycling bin has been chosen with the assistance of Pete Brown, Highway Superintendent. It will be placed to the right of and 30 feet behind the compactor at the Refuse Garden. It will be necessary to excavate three feet down and pour a concrete wall and pad. The bin is eight feet wide and 22 feet long, with doors on either side. Collection will begin on January 15th. The bins for distribution to householders have been picked up and will be given out the first two Saturdays in December by the coordinators. Thereafter they will be available at the Town Hall. Mrs. Foberg will talk to Brian Wood at Yankee regarding their participation. Regulations must be formulated, and Ms. Roche and Mr. Wessman will draft regulations and bring them to a meeting of the Selectmen on November 14.

Information was received on iceborne illness from the Packaged Ice Association. This will be sent to the Rowe Country Store.

A time sheet was received for the School Nurse for the week of 10/09/89.

The meeting adjourned at 9:10 P.M.
