Board of Health
Meeting Minutes
July 10, 1990

Present: James O'Brien, Ellen Foberg, George Riggan
Melissa Quinn

The meeting was called to order at 8:00 P.M.

Howard Crowningshield came in to discuss his property on Zoar Road, formerly belonging to Judith Rawcliff. Mr. Crowningshield would like a permit to relocate his septic tank in order to move the house back from the road. It was noted that a licensed septic system installer must re-install the tank and it must be at least 25 feet from the house if foundation drains are used and at least 10 feet from the house if foundation drains are not used. The Board will ask John Brickett to inspect the project and make a recommendation on behalf of the Board of Health as soon as he has returned from vacation.

Mrs. Foberg has contacted several contractors relative to the construction of a recycling shed and a bin pad at the refuse garden, some of whom were not interested in bidding. Mrs. Quinn was directed to call the Office of the Inspector General and find out if it fulfills the requirements of Chapter 30B if contractors do not wish to bid.

Water sample test results were received for the following:

Avery Fountain (6/06/90)	0	coliforms per 100 ml
Town Hall (6/06/90)	0	coliforms per 100 ml
School (4/04/90)	0	coliforms per 100 ml

Beach (6/06/90)	70	coliforms per 100 ml
Pitcher pump (6/06/90)	0	coliforms per 100 ml

Results will be sent to the school and the park department.

A contract for Economy Haulage (Richard Jenkins) for pickup and disposal of "white goods" was received. Mrs. Quinn will call and ask Mr. Jenkins if batteries and tires can be included in the contract.

It was noted that three "Lifeline" base units were purchased with Emergency Medical Services monies by Faith Loomis, Director. This brings the total number of units purchased by Rowe to seven. A letter of thanks was received for Mrs. Loomis from Phebe Elliott of the Visiting Nurse Association.

The meeting adjourned at 8:23 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
