Board of Health
Meeting Minutes
September 18, 1990

Present: Ellen Foberg, George Riggan, Melissa Quinn
Absent: James O'Brien

The meeting was called to order at 9:05 P.M.

William Foster, Building Inspector, reported that he had inspected a camp on the Daneker property (Potter Road) and found that grey water from the sink was running directly into a brook. He had also found an outhouse on the property and asked if this was legal. This matter was taken under advisement until next week, due to the absence of the chairman.

A letter of resignation was received from Sharleen Moffatt, Town/School nurse, effective October 9. By consensus, her resignation was accepted with deep regret and appreciation for her services to the town. (see attached)

A letter was received from David Howland, Department of Environmental Protection, relative to a complaint regarding storage of demolition material on property owned by Howard Crowningshield (Zoar Road). Mr. O'Brien inspected the site on September 10 at 2:30 P.M. and the material has been removed. Mr. Howland will be informed that this problem has been resolved.

The meeting adjourned at 9:25 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
