Board of Health
Meeting Minutes
October 2, 1990

Present: James O'Brien, Ellen Foberg, George Riggan
Melissa Quinn

The meeting was called to order at 8:10 P.M.

Richard Jenkins (Economy Haulage) came in to request that his contract be continued until June 1, 1991, the original expiration date. It was noted that a few weeks ago he had announced that he would no longer be providing his service (hauling and disposing of white good and batteries), but he has since changed his mind and wishes to continue. By consensus, the Board will honor the original contract.

Mrs. Quinn reported that Commercial Disposal had called to report that their driver had found a box of used hypodermic syringes in our compactor. There were no identifying marks on the box, so the source cannot be pinpointed. A notice will be placed in the Goal Post informing residents that it is illegal to dispose of syringes in this fashion, as this constitutes a biological hazard. Used syringes must be disposed of by a physician.

Mrs. Foberg had contacted Diane Rode, who is willing to serve as substitute nurse for both the school and the town temporarily until full time replacements are hired. She can begin October 17.

The meeting adjourned at 8:40 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
