Board of Health
Meeting Minutes
October 23, 1990

Present: James O'Brien, Ellen Foberg, George Riggan
Melissa Quinn

The meeting was called to order at 8:30 P.M.

Mr. Riggan reported that Town Counsel has advised that the responsibility for hiring a school nurse follows the appropriation, which is in the Board of Health budget. He further stated that the Board can accept recommendations for the position and delegate supervision after the position is filled. Advertisements for the School Nurse position clipped from the newspaper fail to mention that the Board of Health is the employer, contrary to the understanding with Margaret Rice during a telephone conversation at last weeks meeting. Mr. O'Brien will contact Bruce Willard to clarify this matter and ask that all applications and resumes be forwarded to him after the deadline. The Board will then call a meeting to review the applications with the School Committee and begin the interview process.

It was reported that Mr. O'Brien and John Brickett had conducted an inspection (10/23/90) of Ashley's Restaurant for renewal of a Retail Food Establishment license. Everything was in order and the license will be issued upon receipt of the $10 fee.

Mr. O'Brien, Mr. Brickett and Mrs. Foberg also conducted an inspection (10/23/90) at the Daneker property (Map 12, Lot 78) on Potter Road on a referral from the Building Inspector. It was found that there is grey water from the house being discharged onto the surface of the ground. There is an outhouse on the property approximately 30 feet from a stream. A successful percolation test was performed in 1963 but apparently no system has been installed. The site will not pass present criteria due to the lot size (150' x 170' or .59 acres). There is insufficient room for location of a well and a septic system on the present lot, therefore the property can only be used seasonally as a camp. The owner will be advised by letter that the Board can address these problems only after they are advised of his intended use of the property.

The meeting adjourned at 9:00 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
