Meeting Minutes
August 6, 1991

Present: Douglas Corarito, James O'Brien, Leonard Laffond, Melissa Quinn

Also present were George & Florence Veber, Wayne Stickney, Robin Reed, and Ruth Truesdell.

The meeting was called to order at 7:45 P.M.

It was the consensus to send a sample of the substance found on the floor of the handicapped bathroom, in the vestibule, and on the hall floor, to ConTest Laboratory of Springfield for testing to determine what this material is and where it is coming from.

A member of the audience suggested that fines for violations at the Refuse Garden be increased. There was a discussion relative to the merits of this proposal but no action was taken.

Notification was received that the Department of Environmental Protection will impose a ban on disposal of leaves in landfills, effective December 31, 1991. Composting of leaves is urged as an alternative.

The meeting adjourned at 8:00 P.M.
