Board of Health
Meeting Minutes
October 8, 1991

Present: Douglas Corarito, James O'Brien, Leonard Laffond, Melissa Quinn

The meeting was called to order at 8:05 P.M.

Daniel Wessman and B.J. Roche, (Recycling Coordinators), came in to give the Board information on the inception of plastics recycling for the Town. Brochures and posters were given to Mrs. Quinn for posting and distribution. An informational mailing to all residents will be prepared and mailed by the Coordinators with the assistance of Mrs. Quinn. Bins will be placed at the Refuse Garden on October 17, 1991.

Providing a method for disposal of used motor oil by residents was discussed. It was apparent that careful supervision would be required for such a program to be successful. The matter was taken under advisement until additional information can be obtained.

Security problems at the Refuse Garden were discussed. Several options were noted, including but not limited to: clandestine surveillance; closing the facility except during specified hours when an attendant was present; and, limiting hours by re-programming the gate. It was the consensus that limiting hours was the best initial step to take. Beginning November 5, 1991, the gate will be programed to open only between 7:00 A.M. and 7:00 P.M.

The meeting adjourned at 8:40 P.M.

Respectfully submitted,
Melissa S. Quinn
