Board of Health
Meeting Minutes
October 22, 1991

Present: Douglas Corarito, James O'Brien, Leonard Laffond
Melissa Quinn

The meeting was called to order at 8:14 P.M.

Chairman Corarito reported that contrary to what was believed, the card reader at the Refuse Garden cannot be programmed to function only during certain hours. Joe Palmeri, Electrical Contractor, has been asked to give estimates for installation of a timer on the gate so that power could be cut off and restored at specified times, thereby limiting access to those hours designted by the Board. He will include prices for a twenty-four hour timer as well as a seven day timer. A seven day timer is required if different hours are desired on weekends. Chairman Corarito will look into a sign for the gate listing the hours the facility is open.

The Chairman also reported that Richard Jenkins of Economy Haulage has quoted fees for hauling additional scrap metal. They are as follows:

Tires, Rimless, light truck & passenger car	$ 2.00 each
Tires, large truck, split rims	5.00 each
Household appliances	10.00 each
Batteries	Free
TV's	10.00 each
TV's, small, portable	5.00 each
Scrap metal	20.00 cubic yard

It was the consensus that signs should be made designating what materials should be placed in each location, i.e., the bulk bin, compactor, recycling container, plastics containers and white goods site.

It was reported that Town Nurse Dianne Rode has requested vacation time for the period of December 5 through December 13, 1991. It was the consensus to approve this vacation time. Mrs. Rode has obtained the services of a substitute nurse for that time period.

The meeting adjourned at 8:42 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
