Board of Health
Meeting Minutes
December 10, 1991

Present: James O'Brien, Leonard Laffond, Melissa Quinn

The meeting was called to order at 7:30 P.M.

Water sample test results were received from Berkshire Envirolabs for July, August and September for Rowe School, Pelham Lake Park, Town Hall and Avery Fountain. All results were satisfactory except for one performed in July on the pitcher pump at the Park. One total coliform was found, which is still within allowable limits. Tests for VOC's, (Volatile Organic Chemicals), performed at Rowe School were satisfactory. (see file)

It was noted that the chain which operates the gate at the Refuse Garden needs to be adjusted. Mrs. Quinn will notify the Highway Department.

The meeting adjourned at 7:40 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant

Approved:

Leonard J. Laffond

James E. O'Brien
