Board of Health
Meeting Minutes
March 3, 1992

Present: James O'Brien, Leonard Laffond, Melissa Quinn

The meeting was called to order at 7:25 P.M.

A Disposal Works Construction Permit Application was received from William Boyd, (Stone Road). The application appeared to be in order, and will be forwarded to John Brickett, Health Agent/Sanitarian for his attention.

There was a discussion relative to the persistent problem of illegal dumping at the Refuse Garden. Mr. O'Brien reported that costs to the town for hauling and tipping for one pickup truck load approach $200. In a conversation with Bob Rottenburg, Franklin County Solid Waste Administrator, Mr. Rottenburg speculated that manning the gate and thereby completely limiting access to residents only could reduce tipping fees by 1/3 to as much as 1/2. This concept will be discussed further during budget meetings with the Finance Committee.

The meeting adjourned at 7:28 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
