Board of Health
Meeting Minutes
June 9, 1992

Present: James O'Brien, Leonard Laffond, Ellen Foberg, Melissa Quinn

The meeting was called to order at 10:35 P.M.

It was reported that Building Inspector William Foster asked if the Board approved the use of a spring as the water source for the Thomas Danek property on Cross Road in relation to a building permit application. Mrs. Foberg noted that the spring has been tested for purity and found to be satisfactory. The Board does not have any other criteria for the use of a spring other than the appropriate distance from the septic system. Mrs. Quinn was directed to notify Mr. Foster that the Board has approved the Danek spring as a water source.

Following discussion relative to continued abuses at the Refuse Garden, it was voted unanimously to close the Refuse Garden starting June 24, 1992, except during the following hours:

Wednesday	10:00 A.M. to 4:00 P.M
Saturday	10:00 A.M. to 4:00 P.M.
Sunday	12:00 noon to 4:00 P.M.

There will be an attendant present during the hours the Refuse Garden is open to make certain there is no further unauthorized or illegal dumping. A notice will be mailed to residents of the change in the dump schedule, and a notice will be placed in the July Goal Post.

The meeting adjourned at 10:55 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
