Board of Health
Meeting Minutes
September 22, 1992

Present: Ellen Foberg, Leonard Laffond, James O'Brien, Melissa Quinn

The meeting was called to order at 11:00 P.M.

It was the consensus to provide "sharps" containers for the disposal of used hypodermic syringes and other bio-hazardous waste to town residents. Residents will be required to bear the cost of the containers as well as the cost for disposal via Medical Waste Management. Notice will be placed in the October Goal Post with details.

It was reported that the Department of Environmental Protection, Division of Public Water Supplies, has an error in their records which shows that the Rowe Unitarian Church is connected with the Rowe Town Hall. The Administrative Assistant was directed to send a letter to DEP asking that they correct the error.

A memorandum of agreement was signed with the Franklin County Solid Waste District Committee relative to the upcoming Household Hazardous Waste Collection Day scheduled for October 24, 1992. Refuse Garden Attendant Richard Quinn will be asked to represent the Town during collection hours on that day, 9:00 A.M. to 12:00 noon.

It was noted that the Board inspected and approved a septic system installed at the Floyd Smith property at the corner of Hazelton Road and Monroe Hill Road on Friday, September 18, 1992 at 10:00 A.M. John Brickett also attended the inspection.

Contracts were signed with Commercial Disposal for hauling compacted trash, the open top container and the recycling bin. The terms of the contract runs to June 1994.

The meeting adjourned at 11:20 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
