Board of Health
Meeting Minutes
December 1, 1992

Present: Ellen Foberg, Leonard Laffond, James O'Brien, Melissa Quinn

The meeting was called to order at 8:00 P.M.

Mrs. Foberg noted that she had a satisfactory discussion with James Archambault relative to his comments on hours at the Refuse Garden.

It was reported that the dye test conducted at the Lehr property on Zoar Road has not shown the source of contamination at the Foster Property to date. The Chairman discussed the matter with Bill Enser of Berkshire Enviro-Labs and it was his recommendation to repeat the test at the Lehr house using a large volume of dye and running the water at a gallon per minute for several hours. Mrs. Quinn was directed to contact John Brickett regarding acquisition of additional dye for another test.

It was noted that Mr. Brickett and Mr. O'Brien conducted a health inspection at the Rowe Country Store on November 19, 1992. Because it is so close to the end of the year, it was the consensus to delay issuing a retail food license to the store until after January 1, 1993.

The meeting adjourned at 8:25 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
