Board of Health
Meeting Minutes
January 12, 1993

Present: Ellen Foberg, Leonard Laffond, James O'Brien, Melissa Quinn

The meeting was called to order at 9:37 P.M.

A completed well log was received for the Wayne Stickney property on Middletown Hill Road. (see file)

A letter was received from the Department of Environmental Protection asking that the Board appoint a representative to a Municipal Recycling Facility Task Force. Mrs. Quinn was directed to send the letter to Recycling Coordinators B.J. Roche and Dan Wessman asking them which one would be willing to serve in this capacity.

Permits for pumping/hauling septate were issued to the following:

Bostley Sanitary Service
Nelson Road
Colrain, MA

Houghton Sanitary Service
Guilford Center Road
Guilford, VT

It was reported that the dump attendant has had problems with unsupervised children at the dump. Certain parents allow their children to play around the white goods/scrap metal area as well as run in, around, and behind vehicles backing up to unload trash. Rather than post signs instructing parents to supervise their children, it was the consensus to ask the attendant to tactfully remind parents to watch their children, and also to restrict children from areas considered to be dangerous.

The meeting adjourned at 9:55 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
