Dear Dan & Mary Jo:

At their meeting on January 26, it was brought to the attention of the Board that you are contemplating new construction or an addition to your home on Leshure Road. The Board was asked to determine the status of your septic system in this regard.

Enclosed are copies of minutes and correspondence relative to the septic system on your property. As you will note, the inspections and resulting actions taken by the Board of Health occurred when the property was owned by Vaughn Tower. The determinations made at that time are still valid.

If you would like to discuss this matter, please feel free to come to a meeting of the Board of Health. Meetings are scheduled this month on Tuesday, February 9 at 7:00 P.M. and Tuesday, February 23 at 7:00 P.M. You may also call the Chairman of the Board of Health, Ellen Foberg at 339-5746.

Sincerely,

Melissa S. Quinn
Administrative Assistant
to the Board of Selectmen
