Board of Health
Meeting Minutes
April 6, 1993

Present: Ellen Foberg, Leonard Laffond, James O'Brien, Melissa Quinn

The meeting was called to order at 7:55 P.M.

It was noted that updated copies of health regulations relative to Retail Food Establishments (105 CMR 590) states that persons operating a "Bed & Breakfast" must apply to the local Board of Health for food establishments permits annually. The Board must conduct inspections of B&B's annually; inspections at the Rowe Camp/Conference and the Rowe Store must be conducted every 6 months.

It was the consensus to change the evening hours at the Refuse Garden on Wednesdays to 4:00 pm to 7:00 pm, effective May 1, 1993.

It was noted that the Building Inspector may issue a building permit only after "a Sewer Entrance Permit or Disposal Works Construction Permit has first been obtained, unless the Board of Health determines that the existing sewage disposal system is adequate for a proposed alteration or addition to an existing dwelling" in accordance with 310 CMR 15:02 (5). Notice of this regulation is to be placed in the Goal Post.

It was voted to re-appoint Deborah Lively as Animal Inspector, pending her acceptance of the position.

The meeting adjourned at 8:25 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
